LORNA G. SCHOFIELD, District Judge:

WHEREAS, the initial pretrial conference in this matter is scheduled for February 5, 2025;

WHEREAS, no significant issues were raised in the parties' joint letter or proposed case management plan. In the parties' joint letter, they requested a referral to a Magistrate Judge for a settlement conference "at the Court's earliest convenience." It is hereby

**ORDERED** that the February 5, 2025, initial pretrial conference is **CANCELED**. If the parties believe that a conference would nevertheless be useful, they should inform the Court immediately so the conference can be reinstated. The case management plan, scheduling order and settlement referral order will issue in a separate order. The parties' attention is particularly directed to the provisions for periodic status letters, and the need for a pre-motion letter to avoid cancellation of the final conference and setting of a trial date. It is further

**ORDERED** that if either party seeks to file a motion for summary judgment at the conclusion of discovery, they shall file a pre-motion letter pursuant to Individual Rules III.A.1 and III.C.6.

The parties should be aware that the Court does not extend the deadlines for fact and expert discovery absent compelling circumstances.
